Nitish D │ Portifolio

SKILLS

- Programming Language: Java, C, Python
- Full Stack Development: HTML3, CSS5, JavaScript, JSP
- DataBaseManagment: MySQL
- Development Tools: Eclipse IDE

EDUCATION

2022 - Now
Bachelor of Technology(B.TECH)
Vasireddy Venkatadri Institute of Technology
Information Technology-IT
C.G.P.A: 7.75   Percentage: 70.05%

2019 - 2022
Diploma(3 years)
Government polytechnic college Vijayawada

Mechanical Engineering-MECH
percentage: 88.8%

HOBBIES

- Photography
- Video Editor

LANGUAGES

- Hindi, English, Telugu

PROFILE

Employing strategic problem-solving and creative design methodologies, developed and executed scalable web applications that fostered organizational expansion and streamlined operational processes.

PROJECTS

Alumni Management System
August 2023 - July 2024

Project Link : https://github.com/dnitish07/Alumni-Managment-System

- It enhances institutional engagement by offering a comprehensive platform for alumni to reconnect, showcase achievements, and contribute to ongoing college development, all designed to facilitate mentorship, networking, and career advancement. it ensures effectively bridging the gap between the college and its alumni network.

- It is a web-based application developed using Java for the backend and HTML, CSS, JavaScript, and JSP for the frontend. It was created in the Eclipse IDE and utilizes MySQL via XAMPP for database management. The application is hosted on an Apache Tomcat server

Early Detection of Diabetic Retinopathy
August 2024 - present

- Working with a retinal image dataset, perform preprocessing operations such as picture normalization, scaling, and contrast enhancement. Developing a CNN model to identify retinal pictures for early identification of diabetic retinopathy. Model performance is evaluated using criteria including accuracy, precision, and recall.

- Tools and technologies: Python, TensorFlow, OpenCV, Pandas, NumPy, Flask.

CERTIFICATIONS

- **Google Cloud Certified Associate Cloud Engineer**
- **NPTEL Cloud Computing Certification**

PARTICIPATIONS

Smart Hacks 2k24- β Edition
Anurag University
June - 2024
A challenging 48-hour national-level hackathon
Hosted by the IEEE CIS Student Branch Chapter- Anurag University, Hyderabad!
We, "THE BRIDGE BUILDERS" developed an innovative full-stack solution aimed at empowering rural students to excel in entrance exams for both government and MNC sectors.

Attended a Workshop and got certificate in Developing Web Pages Using Django
